

Pony Pull

Thursday, July 28 at 7:00PM

Bluegrass Pony and Mule Pulling Association
2022

Sponsored by: Heritage Bank

Classes: 950-1650 Double overweight

1651-2250 Double overweight

(These classes are to be kept for the pulling
seasons 2019 through 2023)

Light side pulls 12 ft between 14 ft ropes

Heavy side pulls 15 ft between 14 ft ropes

Weights

Weighing will start 6 hours before the pull
and end 1 hour before the pull starts. If there
are pulls scheduled, we will weigh ponies
and mules on Saturday. If you don't miss
a pull, weights will carry until the follow-
ing Saturday. If the first pull of the week is
scheduled any day other than Saturday we
will weigh that day and the following Sat-
urday unless it is Friday. See the exception
below:

Exception

If no pulls are scheduled until Friday, we will
weigh Friday, if you don't miss a pull, the
weights carry until the following Saturday.
If you miss the weighing pull and weigh mid-
week you will still weigh at our next weigh-
ing pull no matter the amount of days.
Weigh as many times as needed to enter the
class. (Not to get an extra block) One man is
to hold all ponies to be weighed except his
own.

No more than 18 blocks (1 layer) will be
added to the lightest team between rounds

No heading

No walking beside the ropes

Judges decision is final

4 people between ropes per team

After command of go is given only ONE
driver

3 passes = 1 pull

6 passes = Done

If you take the 2nd hitch, you can't spot the
3rd but you can change directions.

There is no original direction...hook the way
the sled is headed

Entry fee is \$20

All fair money will be paid back 1-5 places
