DIVISION 6026 4-H Ecology, Natural Resources

Premiums - \$3 - \$2 - \$1

1. An exhibitor may enter only one class in Entomology and no more than two entries in Honey (one extracted, one chunk).
2. Specifications for pinned-insect exhibits 687A, 688A, 689A, and 691 (see below for insect photography exhibits, 687B, 688B, and 689B):
 - a. 9" x 13" folding cardboard insect-collection boxes available through UK College of Agriculture, Department of Entomology, should be used. Homemade or purchased wooden exhibit boxes may be used instead. They must be approximately 18" x 24" and not more than 3 1/2" thick with Plexiglas or glass covers and cellophane pinning bottoms (or plastazote or polyethylene pinning bottoms available from entomology supply stores such as Bioquip.com). Boxes must be easily opened (for instance; if a screw is used to secure Plexiglas tops, use a thumbscrew fastener instead of a fastener that requires a tool).
 - b. Specimens are to be arranged so the box can be exhibited horizontally. 4-H'ers may attach wires to the back of wooden boxes to help make them easier to display.
 - c. Identification labels available from your County Extension Office must be used, or custom labels may be printed if they conform exactly to the font, font size, and font color of the official labels. Labels should be printed onto white cardstock. The exhibit identification card should be placed on the front of the box (each box). Instructions for pinning and labeling are included in your project literature.
 - d. One half of the specimens may be from the previous year's collection or from anywhere in the United States; one half or more must be Kentucky insects collected since the last Kentucky State Fair. No insects that were originally collected from countries outside of the United States will be judged.
 - e. For the first through fifth year projects, a display collection catalog must be in an envelope attached to the back of the display box. Envelopes should be attached to permit their being opened easily to remove catalogue from them without moving the exhibit.
 - f. Most specimens in the display cases should be pinned, and the use of vials is discouraged. If vials are used, they may account for no more than 2% of a collection. Vials must be securely wired or pinned to the pinning bottoms.
3. Entomology exhibits are judged on the following categories: Orders, Species, Common Names, Labels, Condition of Specimens, Overall Appearance, Life Cycle Representation, Catalog of Specimens. Check with county 4-H Agent for point distribution on score sheet.
4. Exhibits will be penalized if they do not:

- a. Use insect pins for pinning insects.
 - b. Use the 4-H Entomology identification labels.
 - c. Use display boxes that are not the official 9" x 13" cardboard boxes acquired through the Dept. of Entomology, or wooden boxes that are approximately 18" x 24" x 3 1/2".
 - d. Fulfill the requirements of the particular exhibit under which it is entered.
 - e. Have the insects arranged so the box can be exhibited horizontally.
 - f. Have the display collection catalogue in an envelope attached to the back of the display box through fifth year projects.
5. No extra credit will be given for specimens exhibited beyond the numbers listed in the current project books.
 6. 4-H'ers entering fifth year cannot use the same exhibit that has been judged in any previous State Fair.
 7. 4-H Entomology exhibits will be divided into the following classes:

687A First year project (Up to three 9" x 13" official cardboard boxes, or up to two 18" x 24" wooden boxes, with minimum of 25 insects, maximum 50 insects, from at least four orders. Identification beyond order not necessary. All specimens must have date and locality label.)

687B First year project (minimum of 25 insect photographs, maximum 50 photographs, from at least four orders. Identification beyond order not necessary. All photographs must have notation field.)
Specifications for insect photography exhibits:

a. Images will be submitted on a USB memory device (such as a "thumb drive") with no other data except for the images and folders. The USB device must be identified externally with a tag or label, showing "4-Her's last name-County-Lot Number-Class Number-Entry Number." The single root folder will be labeled with the same information. Images will be contained inside this folder. Example folder name: Doe-Fayette-6026-687a-24531

b. Each image will be .jpg format, 1920X1080 pixels. Vertical or horizontal black bars may be present to allow for cropped images.

c. Each image will have a filename that matches the following: "lastname-county-#.jpg," where "#" indicates the number of the image inside the folder. Example filename: Doe-Fayette-1.jpg

d. Each image will include a 400X300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including inside black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Ariel, 18pt, black, non-bold, or larger. The notation field will include the following information, with one space between each line:
[4-Her's Name, County, Lot Number, Class

No images from the first-year insect photography project may be reused for this project.

689A Third year project (Three 9" x 13" official cardboard boxes, or two 18" x 24" wooden boxes, with a minimum of 10 orders and 100 insects, a maximum of 150 insects.)

689B Third year project (50-100 photographs total, with images showing insects and other arthropods that impact humans). Specifications for exhibits are the same as for 687A except:

-Each image will include a 400X300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including inside black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Ariel, 18pt, black, non-bold, or larger. The notation field will include the following information, with one space between each line:
[4-Her's Name, County, Lot Number, Class Number] [Date of original photograph]/[Location of original photograph. Location may be in the form of a street/city/zip code address or GPS coordinates.] [Brand and type of camera or camera phone] [Settings, including type of lens, relevant camera settings, and "flash" or "no flash"] [Insect Order – Common Name (if applicable)] [Brief description of life stage, behavior, or adaptation]

-Second year entomology photography exhibits are judged on the following categories: Diversity, Identification, Description of life stage, behavior, or adaptation, Labels, Quality of Photographs. Check with county 4-H Agent for point distribution on score sheet.

-Identification to order (or class for non-insect arthropods) is necessary for any eggs, nymphs, larvae, pupae, and adult insects in the project; common name identification is necessary for at least one-half of adult insects in the project.

-No images from the first-year insect photography project may be reused for this project.

689A Third year project (Three 9" x 13" official cardboard boxes, or two 18" x 24" wooden boxes, with a minimum of 10 orders and 100 insects, a maximum of 150 insects.)

689B Third year project (50-100 photographs total, with images showing insects and other arthropods that impact humans). Specifications for exhibits are the same as for 687A except:

-Each image will include a 400X300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including inside black bars (if present). 1. First year entomology photography exhibits are judged on the following categories: Orders, Species, Common Names, Labels, Quality of Photograph. Check with county 4-H Agent for point distribution on score sheet.

2. Digital insect collections will be penalized if they:

a. Consist of images that were created by someone other than the 4-Her

b. Are not submitted and labeled according to guidelines

3. No extra credit will be given for photographs submitted beyond the numbers listed in the current project books.

688A Second year project (Up to three 9" x 13" official cardboard boxes, or up to two 18" x 24" wooden boxes, with minimum of eight orders and not less than 50 insects, nor more than 100 insects.) Half of the insects should be identified with a common name.

688B Second year project (40-50 photographs total, representing 2 kinds of insect eggs, 8 nymphs, 8 larvae, 2 pupae, and a minimum of 20, maximum of 30, images showing insect adaptations and/or behaviors). Specifications for exhibits are the same as for 687A except:

-Each image will include a 400X300 pixel (or larger if necessary) white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including inside black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Ariel, 18pt, black, non-bold, or larger. The notation field will include the following information, with one space between each line:

Location may be in the form of a street/city/zip code address or GPS coordinates.][Brand and type of camera or camera phone][Settings, including type of lens, relevant camera settings, and "flash" or "no flash"] [Insect Order – Common Name (if applicable)] [Brief description of impact that the depicted arthropod has on humans]

-Third year entomology photography exhibits are judged on the following categories: Diversity, Inclusion of life stages, Identification, Description of impact, Labels, Quality of Photographs. Check with county 4-H Agent for point distribution on score sheet.

-Identification to order (or class for non-insect arthropods) is necessary for any eggs, nymphs, larvae, pupae, and adult insects in the project; common name identification is necessary for all adult arthropods in the project.

-No images from previous insect photography projects may be reused for this project.

690 Fourth year project (Three 9" x 13" official cardboard boxes, or two 18" x 24" wooden boxes, with minimum of 12 orders and 150 insects, no maximum) An addition cardboard or wooden box with an example of insect damage, the stage of the insect causing the damage and any other stage of the insect that helps identify the problem. Include information in the display that tells how the insect is controlled. Life cycle of two insects may be displayed if desired.

691 Fifth year project (may be repeated for successive years of eligibility but must be a different exhibit. No exhibit that has been judged in any previous State Fair may be entered.) Any type of display that pertains to experiences beyond those of previous projects. Special collections of native and/or exotic butterflies, beetles to some other insect order; a study in depth of one insect or small group of insects: a display of insect camouflage: a display of plastic embedded insects: a collection of insect larvae and nymphs are examples. Charts, photographs, models or any other visual aids may be used. 4-H'ers are encouraged to write a short (1 or 2 paragraphs) statement developing the theme of their fifth year display.

HONEY

Honey will show better in oval, flat sided to square clear glass containers. 4-H'ers must use standard honey jars. Wide-mouth mason jars or wide-mouth honey jars may be used. The jars and lids must be clean. Fill jars to the "fill line". The "fill line" is the continuous ring that circles the jar and not necessarily the threads that help hold the lid. Note: Two jars must be submitted for the following classes.

Display cases for capped honey may be made by 4-Hers or bought from a store, but they must be bee-proof and have a removable top in order for the judge to check moisture. One frame per container.

Observation hives shall be secure from opening to the satisfaction of the Bees and Honey superintendent. This shall include the top of the observation hive and all holes and openings. Openings should be secure by screws or locks. Observation hives may be picked up after the end of judging on Tuesday August 13, 2021.

DIVISION 6011.4 4-H Educational Dog Project Posters

Premiums - \$3 - \$2 - \$1

1. Educational posters MUST relate to dogs and be completed since the last State Fair. Poster must be judged at the county level before entry at the State Fair. Only one entry per class per county is allowed (county winner must have received at least a blue ribbon at the county level before entered at the state fair level).
2. Posters should encourage the participant's imagination in developing a slogan/theme that promotes a breed or project or educates the viewer about a dog project related activity. Examples of topics include but are not limited to: showing/grooming/caring for your dog, dog health, nutrition, and breed characteristics. Posters should be simple and focus on one message to tell the story of your dog poster theme. Resource information should be attached to the back of the poster (resource may be in envelop with youth name and county, class listed on envelop). Reliable resource information should be used (please note that Wikipedia may not be a reliable source).
3. Participants may use a variety of media, however no 3-dimensional posters will be allowed and no text cut directly from a magazine will be allowed (such as a cut-out of a magazine article used for the poster).
4. Posters must be no smaller than 20" x 30" and no larger than 24" x 30." Poster format should be portrait (vertical) not landscape. Posters must be made using one of the following, matt board, or foam core board. No poster board is allowed. Posters submitted on poster board will be disqualified at entry.
5. Copyrighted characters such as Snoopy, Charlie Brown, or other cartoon characters cannot be used.

5. Any electric project observed or judged to be unsafe or potentially harmful to the public or surroundings will be disqualified immediately and disabled for further use.
6. Effective strain relief should be provided for

all wire to terminal connections. Knots, clamps, connectors, or staples are acceptable when used appropriately.

7. 4-H electric exhibits will be divided into the following classes:

MAGIC OF ELECTRICITY (4HCCS BU-06848) (All exhibits must be DC powered).

645 Battery powered series and parallel circuits (Circuits must include both series and parallel, a simple switch and can be no more than 9 volts).
646 Homemade Galvanometer (Must be able to detect the presence of an electrical current)
647 Electromagnetic Circuits (Must be a working electromagnet with a simple switch and can be no more than 9 volts).
648 Simple homemade DC motor (Rotor must turn under its own power).

INVESTIGATING ELECTRICITY (4HCCS BU-06849) (all exhibits must be DC powered)

649 Battery powered series or parallel circuit (Circuit may be either series or parallel, must contain either a momentary and/or three-way switch, a circuit diagram with explanation and can be no more than 9 volts).
650 Original design soldered circuit project (Circuit must contain an on/off switch, a motion or tilt activated switch, a light and sound producing device and must be powered by 9 volts. All connections in the circuit must soldered and a circuit diagram with explanation must be included).

WIRED FOR POWER (4HCCS BU-06850) (all exhibits must be AC powered and be able to be safely connected and disconnected from a standard 120-volt duplex outlet).

648 Display of wire sizes and types with description and example of usage (display must contain at least 12 different examples)
649 Simple household or farm use circuit (Circuit must contain one single pole switch controlling one electrical load device. Circuit should be mounted on a sturdy mounting surface and free standing. Wiring should be done with Romex NM-B 12-gauge wire and clamped or stapled appropriately. A circuit diagram with explanation must be included)
650 Complex household or farm use circuit (Circuit must contain at least two three-way switches, and may also contain a four-way switch, controlling one electrical load device. The circuit must also contain a working duplex electrical outlet. Circuit should be mounted on a sturdy mounting surface and free standing. Wiring should be done with Romex NM-B 12-gauge wire and clamped or stapled appropriately. A circuit diagram with explanation must be included)
651 Table, desk, vanity or floor lamp, any purpose – original design only. (Pop Can Lamp kits will be disqualified)

ENTERING ELECTRONICS (4HCCS BU-06851) (exhibits may be either DC or AC powered. AC powered exhibits must be able to be safely connected and disconnected from a standard 120-volt duplex outlet).

652 Basic electronic circuits without solid-state components (from project book). 656 Basic electronic circuits with solid-state components (from kit).

657 Basic electronic circuits with solid-state components (original circuit design, must include circuit diagram and explanation).

GREEN ENERGY

658 Wind or solar powered energy project (original design).

659 Solar powered energy project (original design).

DIVISION 6035 4-H Foods Exhibits

Premiums - \$3 - \$2 - \$1

HORTICULTURAL PHOTOGRAPHY EXHIBITIONS

Horticulture is the science, art, technology and business concerned with intensively cultivated plants that are used by people for food, for medicinal purposes, and for aesthetic gratification.

Horticulture is divided into two categories:

The cultivation of plants for food (pomology and olericulture):

- Pomology deals with fruit and nut crops. (not included in photography classes)
- Olericulture deals with herbaceous plants for the kitchen, including, for example, carrots (edible root), asparagus (edible stem), lettuce (edible leaf), cauliflower (edible flower), tomatoes (edible fruit), and peas (edible seed). (included in photography classes)

Plants for ornament (floriculture and landscape horticulture).

- Floriculture deals with the production of flowers and ornamental plants; generally, cut flowers, pot plants, and greenery. (included in photography classes)
- Landscape horticulture is a broad category that includes plants for the landscape, including lawn turf, but particularly nursery crops such as shrubs, trees, and climbers. (not included in photography classes)

For the purposes of the Kentucky 4- Horticulture Photography Contest, only photographs representing the areas of Olericulture and Floriculture will be accepted.

HORTICULTURAL PHOTOGRAPHY CLASSES

**4-H/FFA Market Livestock Shows and Sale****General Rules**

General Superintendents:

Jaimie Mann – Vo-Ag, Instructor – FFA Advisor

Kelly Armour- Vo-Ag Instructor- FFA Advisor

Shelley Meyer - Pendleton County Extension, 4-H/Youth Development

CERTIFIED LIVESTOCK LEADERS: Nancy Adams, Chip Cline, Olivia Cline, Martha Gosney, Tara Greene, Dana Wyatt, Kim Barlow, Jeremy Barlow, Randy Wyatt, Grant Caldwell

GENERAL RULES

****NOTE**** Rules are subject to change due to possible extreme circumstances; all decisions will be finalized by the Pendleton County Fair Board.

1. Show and sale open to 4-H and FFA members in Pendleton County only. Members must show as 4-H or FFA, no crossing.
2. Animals must be accompanied by Extension or Vo-Ag Instructor or accompanied by written state of eligibility.
3. Members may show as many animals as they wish. Only one (1) animal per member may sell, members must show the species they are selling in the market show.
4. All animals must be broke to show and must be shown by member unless in the case of illness, more than one animal in a class or a conflicting 4-H or FFA event, then animal may be shown by another Pendleton County 4-H or FFA member. This is subject to 4-H or FFA advisor approval.
5. Animals will be weighed as unloaded with presentation of a valid Health Certificate.
6. All exhibitors **MUST** participate in "Tear-Down" at the Pendleton County Fair at 1:00pm on TBD. Assistance with set-up is needed as well for those who can help.
7. Pendleton County Youth Fair will provide a night watchman.
8. All exhibitors must indicate at weigh out the animal they intend to sell. Exhibitors will have up to 30 minutes after the conclusion of their show to change the animal they wish to sell.
9. If an exhibitor wins showmanship for one species and then goes on to win another showmanship for another species, they may pick which species they want to represent to complete in the Round Robin. Therefore, the reserve showman of the second species will represent that species in the Round Robin. If the reserve showman is already representing a species in the Round Robin, then the judge will be asked to pick a third individual to represent that species in the Round Robin.
10. If you are a Champion and/or Reserve Champion Showmanship winner, in each age division, your Showmanship animal may be picked to show in Round Robin. It is your responsibility to have your animal ready to be exhibited in Round Robin. Failure to have your Showmanship animal ready would result in forfeiting your Showmanship premiums. Showmanship animals must remain at the fairgrounds until after the Round Robin, or have been released by either the FFA Advisor/4-H Agent.
11. Only exhibitors, ring master, and judge will be allowed in the show ring during Market Livestock shows.
12. Prior to all livestock shows only the animals who are showing will be allowed to be moved from their pens to the wash pad or other areas. All other animals must be properly secured in their respective areas.
13. All animals are allowed to leave the fairgrounds after each night's show. If an exhibitor chooses to take their animals home after their show, they will not be considered for the Herdsman Award.
14. Grand and Reserve Champion animals are to remain at the fairground until after the sale. They will be on display in a designated area.
15. All grooming rules are in compliance with the KY Department of Agriculture (KDA) guidelines. Local leaders must be identified by the local 4-H Agent and/or FFA Advisor in a list submitted to their respective organization. A leader's service must be available to all members in a club, chapter or county.
16. Market animals will be shown by weight/not breed. Weight division for classes will be determined by Show Officials. 4-H/FFA animals will show together in conformation. Each animal may only show as EITHER market OR breeding.
17. If animals do not meet weight requirement, they will be able to show in weight class but not eligible for sale.
18. There will be a Rate of Gain class. Animals must have participated at the official weigh-in site for their species.
19. All classes will be judged on the Danish System. A Champion and Reserve Champion in each class and an Overall Champion and Overall Reserve Champion will be selected.
20. Best Bred and Owned will be selected from class results.
21. **PENDLETON PROUD** – Awards will be given to Producer and Youth exhibiting an animal purchased from a Pendleton County Livestock Producer and born in Pendleton County.

22. Showmanship is mandatory. In each species there will be a 4-H and FFA Novice showmanship class for first year exhibitors in respective species. Showmanship divisions will be: Novice, Junior, and Senior for 4-H and FFA. An overall Supreme Champion Showman and overall Reserve Supreme Champion Showman will be selected for each species. Each exhibitor will only show showmanship one time per species but may choose either their market or breeding animal to exhibit.

23. Round Robin Showmanship Class will be held on night of sale. Winner will receive “traveling” trophy, belt buckle and \$50.00. Reserve champion will receive \$25.00.

24. 4-H and FFA members must submit a completed project record book on or before Sunday July 18, 2021 from 2-4pm during county fair entry take-in to be eligible to show, sell or have animal/animals on fairground.

25. The Dale Kirsch Memorial plaque will be awarded to the most outstanding livestock exhibitor at the Pendleton County Youth Fair. The winning exhibitor will have excelled in the Skill-A-Thon, showmanship, and confirmation classes earning points in each division. The exhibitor with the highest total points will win this award along with \$100.

26. Animals will be the responsibility of the buyer at the drop of the hammer. Buyers have up to 2 weeks from the sale date to acquire animal(s) otherwise the buyer forfeits their purchase (unless prior arrangements have been made between the buyer and exhibitor).

27. There will be no resale of animals.

28. All members must attend 6 hours of educational meetings prior to weigh in of their respective species. Those 6 hours must be obtained from Pendleton County offered opportunities and of those 6 hours, at least 2 hours must be from an educational meeting pertaining to the species being shown. If an exhibitor is showing more than one specie, they must have two educational hours with each specie being shown- if you show FOUR species, you are required to have EIGHT educational hours. Exhibitors with 20 hours or more will earn ONE 1-week fair pass (excluding rides). Field trips, community service and participation in fundraisers counts towards the exhibitor’s fair pass ONLY.

29. Appropriate dress is required for shows and sales. Suggested hard sole shoes, required long pants and appropriate shirts/polos- NO t-shirts.

30. Arm bands will be passed out the night of the sale ONLY for access into the sale/show barn. TWO arm bands per exhibitor.

31. Exhibitor will be responsible for charge (approximately \$4.00) at weigh-in for KUIP tagging. Upon loss of KUIP tag exhibitor must immediately contact either the 4-H Agent or FFA Advisor. Small animal tagging will not be held in Pendleton County. Dates will be given for other sites.

32. All lambs and goats must have valid scrapie free tag/identification. All male MARKET animals must be properly castrated by their respective weigh-in/validation site.

33. Each exhibitor will be provided with up to two photographs to give buyers. Additional photographs may be purchased if youth has more than two buyers.

34. Exhibitors will be responsible for delivering buyer flyers to their potential buyers. Everyone will be charged at the gate of the fairgrounds.

35. The fair arranged processor for the Livestock Show and Sale is S&J Processing. Any buyer who chooses to have their purchase processed will be sent to S&J Processing and the kill fee will be added to the buyer’s purchase. If a buyer chooses to use another processor besides S&J Processing, the buyer will be responsible for taking the animal home on the day of the sale and handling additional processing details.

36. There will be no charge to exhibitors for Buyer’s Meal. Each exhibitor will also be responsible for providing a dessert to serve the buyers during the Buyer’s Meal. The date, time, and location will be determined at a later date. Details will be sent to all exhibitors and Buyers prior to the event.

37. All sale participants are required to turn in a written thank you letter (letters) when you pick up your buyer’s picture after August 1. Pictures will have a voucher (sign-off) receipt. The exhibitor will have their buyer sign the receipt when they deliver their picture. Exhibitor will then receive their check when receipt with buyer’s signature is returned to the Extension Office. Pictures must be picked up from the Extension Office no later than August 28, 2021.

38. Eligibility for FFA Members will follow national guidelines until high school graduation. Upon graduation from high school students pursuing full-time, post-secondary education will be allowed to show in the four fairs past high school graduation and must be a member in good standing with Pendleton County FFA (paid membership). Members in good standing are eligible for the sale the summer after graduation from high school and not thereafter if they choose to show under FFA while in post-secondary school.

39. All award winners are asked to send a “Thank You” note to sponsors.

40. Under the 4-H/FFA Youth Livestock Rules and Regulations, it is stated that the animal being exhibited must be in the possession and continuous care where youth provides the majority of care for the animal by June 1, 2021. EXCEPTION: Market Steers/Heifers must have been in the possession and under the continuous care of the exhibitor by March 1, 2021. Care for the animal would consist of but not limited to: daily feeding, halter breaking, grooming, and practicing for the show, health and other activities as desired.

41. The Youth Livestock Advisory Committee, FFA Advisor, County Extension Agent for 4-H Youth Development and reserve the right to make project visits with prior notice.

42. All livestock and rabbit and poultry exhibitors will be required to take a Skill-A-Thon test administered by Leaders on Sunday July 18, 2021 from 2-4pm during county fair entry take-in. Exhibitors must score 50% or higher to be eligible for awards from Skill-A-Thon, winners will receive \$50.00 and second place winners will receive \$25.00.

41. The Youth Livestock Advisory Committee, FFA Advisor, County Extension Agent for 4-H Youth Development and reserve the right to make project visits with prior notice.

42. All livestock and rabbit and poultry exhibitors will be required to take a Skill-A-Thon test administered by Leaders on Sunday July 18, 2021 from 2-4pm during county fair entry take-in. Exhibitors must score 50% or higher to be eligible for awards from Skill-A-Thon, winners will receive \$50.00 and second place winners will receive \$25.00.

43. There will be 4% of each exhibitor’s sale check (not including add-ons) withheld for overhead costs and champions. From this amount, 3% goes back into the livestock committee fund to pay for sale costs, buyer pictures and frames, etc. while the remaining 1% goes back to the champion and reserve champion showmanship winners of their respective species. Sixty percent of the 1% goes to the showmanship winner of that respective species and 40% goes to the reserve champion.

44. In case of emergency, if you are unable to be at the fairgrounds prior to your species weigh-out, contact 4-H/FFA advisor or livestock leader prior to weigh-out start time for permission to arrive late.

45. Herdsman Award for each species. A special prize will be awarded in the livestock barn to the 4-H/FFA livestock exhibitor who demonstrates the following criteria to the highest degree:

- A. Neatness/attractiveness of exhibit, bedding, signs, etc.
- B. Appearance of animal(s) at all times
- C. Cleanliness of aisle behind/around livestock stalls or pens
- D. Exhibitor’s behavior while at the County Fair
- E. Friendliness toward other exhibitors and spectators

46. Violations of the Code of Show Ring Ethics: Any violations of the Code of Show Ring Ethics or any other rules and policies associated with the Pendleton Co Youth Fair and the Kentucky State Fair may result in forfeiture of premiums and awards, disqualification, loss of sale proceeds, probationary status and/or loss of eligibility for future participation. Any illegal substances found at slaughter will result in forfeiture of all premiums and revenues from the sale of the animal. Violations of these rules may result in both animal and exhibitor being disqualified from the show.

- A. Treating the animal internally with an irritant or other substance to artificially change the animal’s conformation. This would include injection of air, gas liquid, solid or any foreign material under the skin.
- B. Surgery of any kind to change the natural conformation or appearance of the animal’s body. (Exceptions include those procedures that are part of a normally accepted management program, such as dehorning, castration, and tail docking.)
- C. Altering or changing animal from its natural color.
- D. Use of any abnormal procedure or product to change the degree of firmness, muscle tone or mass and/or weight of the animal.
- E. Use of any illegal substance or procedure that results in condemnation of the carcass of a market animal.
- F. Adding of any foreign material (twine, hair, etc.) to any part of the body in an attempt to disguise or alter the conformation or condition of the animal.
- G. The use of graphite.
- H. Administration of any substance (internal or external) that is not used according to the label instructions.
- I. Excessive force in handling of animals.
- J. Physical abuse of an animal, either in the barns, on the grounds or in the show ring by the exhibitor or his/her parents or representatives, Extension agents or agriculture teachers may result in both animals and exhibitor being dismissed from the show(s).

47. PROTEST PROCEDURE:

- A. All protests must be made in writing, plainly stating the reason for the protest or appeal and must be filed with the Chairman of the Pendleton County Youth Fair, FFA Advisor or 4-H Agent within 24 hours of the species specific show. All protest must be accompanied by a \$100.00 cash deposit which will be forfeited if the complaint is not sustained.
- B. All protests will be considered at a time set by the Pendleton County Youth Fair Executive Committee and the interested parties will be notified and given the opportunity to submit evidence.
- C. In addition to the right of protest herein guaranteed to interested parties, the Pendleton County Youth Fair Executive Committee expressly reserves the right to take cognizance of fraud, which may have been consummated or attempted, and to take such action as may be deemed just and proper.

48. Any questions not covered by the above rules will be referred to KDA guidelines.

Livestock Health Requirements

All livestock/animals offered for sale or exhibition at Kentucky County Fairs shall meet the following regulations according to KRS Chapter 257:

- a. 302 KAR 20:040 (Entry into Kentucky)
- b. 302 KAR 20:065 (Sale and Exhibition of Kentucky Origin Livestock)

Any questions concerning these health regulations should be directed to your local veterinarian or the Kentucky Department of Agriculture State Veterinarian's Office at 502-782-5901. Livestock Health regulations can be obtained on the Kentucky Department of Agriculture website: www.kyagr.com/statevet/animal-movement.html

Please be advised that Livestock Health regulations are subject to change at any time.

Community Worship/Hymn Sing

Sunday, July 18 at 7:00 P.M.

Each year the Pendleton County Cooperative of Churches plans a community worship event on the Sunday before the Fair. This year we will be having Adam Crozier, lead in energetic, gospel songs for all to sing along. Adam is the First Baptist Church music minister.

Each year the church with the largest membership in attendance will take home the attendance trophy.

A love offering will be received with 70% of the love offering divided between the group(s) performing and the remaining 30% going to the church with the largest membership in attendance.

Mutton Bustin'

Monday, July 19 at 7:00 PM
Committee Member in Charge:
Felicia Caldwell

A rider steps into the chute and the roar of the onlookers, the thumping crowd-pleasing music and the sounds of livestock recede as they prepare themselves for a ride that will last only seconds and almost surely end with them being hurled to the ground with force. It's a familiar scene at any rodeo, but in this case the rider is a child and the bronco is a wooly, white sheep.

To be a wool rider, a kid has to be at least the age of 3 and weigh less than 70 pounds. Entry fee is \$8. Parents must sign a waiver to let their child participate. Kids must wear protective gear, including a vest and helmet with a metal face guard on the front. You can bring your own or use ours. Just like in the rodeo, sheep are kept in individual chutes. After the kids straddle the sheep, the animals are released into the arena. The child that holds on the longest is the winner!

Winner will receive a belt buckle.
 A special thanks to Hinton Mills for the chute.

Greased Pig Contest

Tuesday, July 20 at Approx. 8:00 PM

Following the Novice Livestock Show

Committee Member in Charge:

Rob McClanahan

Sponsor: Pendleton County Farm Bureau

Age Groups:

4-5 6-8 9-11 12-14 15-18 19 & older

Winner from each group will receive \$10

Guidelines:

1. Entry is free
2. Pig will be greased with corn oil
3. All contestants will stand around the inside edge of the fence
4. Once the signal is given, contestants may go after the greased pig. When a contestant gets control of the pig, all other contestants must go back to the side of the fence to give contestants a chance to get the pig to the center of the ring. Adult Tractor/ Backseat Driving Competition

Thursday, July 22 at 8pm

Sponsors: K&A Excavating

This competition allows adults the opportunity to showcase their skills in quickly shifting through the gears both forwards and back. Adults will drive a tractor through a uniform course, much like the one used at state 4-H and FFA competitions. The competition will be judged based on speed, accuracy, and completion. A gator will be used for the back seat driver competition, where one participant sits in the back and other drives while blind folded. The participant in the back gives directions to the driver to navigate through a course. \$100 prize for the winner

Guidelines:

1. Time will begin when front of tractor or gator crosses the starting line.
2. No assistance will be allowed. Anyone giving assistance will disqualify the contestant.
3. All safety violations will be scored against the operator.
4. Judges will disqualify contestant for flagrant violations.
5. The contestant will stop and get off the tractor when the course is completed to the operator's own satisfaction.
6. Time will end when the contestant gets off the tractor or when gator crosses the finish line.
7. Contestants are encouraged to write Thank You notes to sponsors.

8. All market goats must be clipped to <1/4 inch hair above the hocks.
9. All male goats must be properly castrated at weigh-in. (Banded or surgically removed - clamping is not allowed.)
10. Exhibitor may enter market wethers and/or market does. Induced cryptorchids (short scrotum kids) and buck goats may not be shown or any

wether kid showing signs of secondary sexual characteristics may not be shown.

11. No artificial color.
12. All goats must be at fairgrounds by 5:00 p.m. Thursday July 22, 2021
13. Weigh-out 3:00 p.m. - 5:00 p.m.
14. All goats must weigh a minimum of 70 lbs. to qualify for sale. Any animal not making the minimum weight requirement on the first weigh-out can take the animal off the scale and re-enter the scales for a second weigh-out. Animals may NOT leave the scale area before second weigh-out.

Breeding

1. Original registration certificates are required, except that a copy of a registration application, stamped with the date received by one of the listed associations, can be accepted for kids less than 3 months of age. Animals over the age of 3 months must have the original registration certificate in hand at time of show.
2. The documents specified above as the requirements for that age animal to be shown must be presented to the Show Secretary for verification before the judging begins.
3. All goats must have legible tattoos consistent with the registration certificate or the animal will be disqualified. If an animal is disqualified due to illegible or inconsistent tattoos, all lower placing animals will be moved up in placement. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that tattoos are read and properly recorded. The show secretary will be responsible for recording the tattoos and informing the judge as to which point-eligible goats will need to be checked. An exhibitor that is showing an animal with a microchip as permanent identification is required to provide a microchip reader for verification of animal identity.
4. Birth dates, as listed on the registration certificate, will be used in determining class divisions. In order to calculate the class breaks, take the show date and count back to the birth date to determine the age and the class for the animal.
5. Classes: All animals must be registered Purebred, Fullblood or percentage blood Boer goats. Percentage doe classes are for goats 50% to 88% Boer; Fullblood classes are for does that are 93.75% and higher and bucks that are 96.87% and higher. Progeny of fresh does will not be allowed in the ring with their dam. The Champion and the Reserve Champion classes will be chosen from the first and second place animals in that division of the show.
6. At the discretion of the judge and the superintendent, the animals may be let loose in the ring as a function of judging.
7. No animal bracing allowed at ABGA Sanctioned Shows. Goats' front legs must be on the ground during the judging. Front feet must remain on the arena floor during Judge's evaluation. Exhibitors may lift feet off the ground for a period not to exceed 10 seconds when posing the goat.

Donkey Ball Entertainment- Donkey Racing

Thursday, July 22 7:00pm

Sponsored by: Houchen's Clothing and
Shoes, Johnson Heating and Cooling, and
David Fields, PC Judge Executive

Formerly, Buckeye Donkey Ball, Donkey ball Entertainment, provides donkey races across America for your entertainment. Donkey races are an action packed hour of family fun. Participants must ride real, live, donkeys from start to finish. Some donkeys are cooperative and some are uncooperative, and that's where the fun begins.

The evening's entertainment will consist of six races. Each race will feature up to ten riders racing over a closed course. There are five elimination races with the first two finishers from each race advancing to the sixth and final championship race. You supply popular, well-known, locals to ride in the show. The more well known the participants, the more successful your show will be.

4-H/FFA Sale of Champions

Saturday, July 24 at 7:00 PM

4-H Advisor: Shelley Meyer

FFA Advisor: Jaimie Mann and Kelly Armour
By purchasing animals sold at the auction, buyers help young exhibitors finance their future. Support from buyers also encourages other young people to get involved with these programs. Businesses will benefit from the publicity they receive by supporting the auction and local youth. Also, the purchase is tax-deductible. The amount the buyer spends **ABOVE THE MARKET VALUE** is tax deductible. No trailers hauling off livestock will be allowed to loadout at the barn until 11pm.

100% of monies received goes directly to Pendleton County 4-H/FFA.
