6. Goats must be born after September 1, 2020.
7. Horns are optional, but must be tipped. Tipped is defined as the end of the horn squared off to 1/2 inch in diameter or larger. Judge may make determination.
8. All market goats must be clipped to <1/4inch hair above the hocks.
9. All male goats must be properly castrated at weigh-in. (Banded or surgically removed – clamping is not allowed.)
10. Exhibitor may enter market wethers and/or market does. Induced cryptorchids (short scrotum kids) and buck goats may not be shown or any

wether kid showing signs of secondary sexual characteristics may not be shown.

11. No artificial color.
12. All goats must be at fairgrounds by 5:00 p.m. Thursday July 22, 2021
13. Weigh-out 3:00 p.m. – 5:00 p.m.
14. All goats must weigh a minimum of 70 lbs. to qualify for sale. Any animal not making the minimum weight requirement on the first weigh-out can take the animal off the scale and re-enter the scales for a second weigh-out. Animals may NOT leave the scale area before second weigh-out.

Breeding

1. Original registration certificates are required, except that a copy of a registration application, stamped with the date received by one of the listed associations, can be accepted for kids less than 3 months of age. Animals over the age of 3 months must have the original registration certificate in hand at time of show.
2. The documents specified above as the requirements for that age animal to be shown must be presented to the Show Secretary for verification before the judging begins.
3. All goats must have legible tattoos consistent with the registration certificate or the animal will be disqualified. If an animal is disqualified due to illegible or inconsistent tattoos, all lower placing animals will be moved up in placement. Point winners from each class must have their tattoos read and recorded. The judge will be responsible for ensuring that tattoos are read and properly recorded. The show secretary will be responsible for recording the tattoos and informing the judge as to which point-eligible goats will need to be checked. An exhibitor that is showing an animal with a microchip as permanent identification is required to provide a microchip reader for verification of animal identity.
4. Birth dates, as listed on the registration certificate, will be used in determining class divisions. In order to calculate the class breaks, take the show date and count back to the birth date to determine the age and the class for the animal.
5. Classes: All animals must be registered Purebred, Fullblood or percentage blood Boer goats. Percentage doe classes are for goats 50% to 88% Boer; Fullblood classes are for does that are 93.75% and higher and bucks that are 96.87% and higher. Progeny of fresh does will not be allowed in the ring with their dam. The Champion and the Reserve Champion classes will be chosen from the first and second place animals in that division of the show.
6. At the discretion of the judge and the superintendent, the animals may be let loose in the ring as a function of judging.
7. No animal bracing allowed at ABGA Sanctioned Shows. Goats' front legs must be on the ground during the judging. Front feet must remain on the arena floor during Judge's evaluation. Exhibitors may lift feet off the ground for a period not to exceed 10 seconds when posing the goat.
